Subject Let's start call at 1pm? Also provided call in info Re: HQ
comments on WA documents

Hi Heidi,

I think we may need an hour to go over everything. Looks like everyone is free from 1-2pm, except Ruth. I talked with Ruth and she says to go ahead with the call at 1pm because she most likely will be able to get off of her other call early. If not, then she will join our call as soon as possible.

Let's use Ruth's call in number:

non-responsive
non-responsive

I'll start the call at 1pm. If no one is on by 1:10 then I'll assume the call will still start at 1:30pm.

Chris, this is in regards to WA decision document and not Oregon's. It's up to you if you want to join this conversation.

Thanks,

Julie
